Carey Receives “Best Chauffeured Service Worldwide” Award For 2011.

Washington, DC – January 18, 2012 – Carey International, Inc. was named the winner of Luxury Travel Advisor magazine’s prestigious 2011 Award of Excellence for “Best Chauffeured Service Worldwide.”

Since 2008, Luxury Travel Advisor has bestowed the Awards of Excellence on those providers of professional services who excel at delivering memorable experiences that help distinguish the luxury travel industry. Nominees were hand-selected by an invitation-only advisory board of influential travel advisors that have been featured on the cover of Luxury Travel Advisor. Carey was chosen as the winner in its category exclusively by the votes of the readers.

“This award is further recognition of the time, talents and efforts of our entire team to provide best-in-class service to our customers and to continue Carey’s 90-year tradition of excellence,” said Gary Kessler, President and CEO of Carey. “Through all of the challenges our industry has faced in recent years, Carey has remained a strong and growing company—the mark of a true leader in the industry.”

As one of this year’s award winners, Carey will be profiled in the upcoming February 2012 issue of Luxury Travel Advisor, along with a feature on LuxuryTravelAdvisor.com.
